## POST SHOW REPORT 2025

## BROCHURE 2026

Astrovision Global Fzco Dubai, ACE Group & Genesis Global Exhibitions is delighted to inform you that the PHILIPPINE SOLAR AND POWER EXPO is scheduled to held from **23-25 September, 2026** at **Manila, Philippines**. Philippine Solar & Power Expo is Philippine's most focused solar, power, energy & EV products related exhibition. The Exhibition will witness the participation of all leading stakeholders and key service providers within the Solar and Power as well as Energy sectors. The exhibition will be the gateway to the South East Asian Business Community in Philippines. It is the premier exhibition series in this sector in the South East Asian region.

The international expo provides an immense opportunity to capture the untapped market of the South East Asian Region through Philippines. The show is organised by the Astrovision Global Fzco Dubai. It is one of the shows in the umbrella of upcoming shows being organised in the ASEAN region.

The Expo aims to promote the Solar, Power and energy sector by the way of bringing the stakeholders including manufactures, exporters distributors, importers, traders, contractors, developers & architects, engineers, new entrants closer and help them negotiate new business opportunities and partnerships. The event will certainly help in boosting the activities and trade in the sector and amplifying the infrastructure growth in Philippines and South East Asia Region.

## EXHIBITORS OVERVIEW

2025 edition welcomed all exhibitors from 5 countries, re-emphasizing its position as the South East flagship event exhibition for the market of power, energy and solar sector. The 1th edition had a significant focus segment; it had a remarkable increase of exhibiting companies in the power and energy, making significant contributions to trading targets of exhibiting companies and affected on the target visitors' range. It has delivered a unique experience for exhibitors to develop business relationships. According to most of the exhibitors interviewed, during the 3 days they met competent people who were determined to enter and maintain commercial dealings at Philippine Solar & Power Exhibition.

### VISITORS OVERVIEW

**2,500 VISITORS**

The First Edition of Philippine Solar & Power Expo registered during the 3 days 2500 from 5 Countries including Philippines, Malaysia, India, China & Vietnam.

### MAIN REASONS FOR VISITING

- Find new product, manufacturers & suppliers
- Keep up to date with new technology
- Meet up with colleagues in the industry
- Compare products with a view to placing orders
- Assess the possibility of exhibiting
- Place an order at the event

### VISITORS PROFILE

- ✓ Project Directors & Managers
- ✓ Dealers, Distributors, Agents & Traders
- ✓ Government Ministries, Energy Departments
- ✓ Interior / Lighting Designers
- ✓ Independent Power Producers
- ✓ Environment Agencies and Government Personnel
- ✓ Company Owners / Partners
- ✓ Infrastructure Planners and Procurement Officers
- ✓ Material and Equipment Specifiers
- ✓ Architects, Consultants and Engineers
- ✓ State Owned / Public and Private Power Utilities
- ✓ Speciality Retailers, Importer & Trade Distributors
- ✓ Electrical Contractors & Installation Engineers
- ✓ Consulting Engineers and Project developers

### BRANDINGS

### EXHIBITOR PROFILE

- ✓ Electric Vehicles (EV's)
- ✓ Battery & EV Charging
- ✓ Lighting & Fittings
- ✓ Solar Energy Systems
- ✓ Solar & Thermal Products
- ✓ IT Systems & Telecommunication
- ✓ Wind & Water Energy
- ✓ Safety & Security Systems
- ✓ Electrical & Engineering
- ✓ Energy Sector Pioneers
- ✓ Bioenergy, Biofuel, Biogas
- ✓ Energy Saving Solutions
- ✓ Electrical Tools
- ✓ Electrical Appliances & Equipment
- ✓ Regulator, UPS, Transformer
- ✓ Generator
- ✓ Power Electronics
- ✓ Power Equipment
- ✓ Security, Alarm and Satellite Antenna
- ✓ Heating & Refrigeration System
- ✓ Process control products
- ✓ Air Conditioning System
- ✓ Wire & Cables
- ✓ Insulators
- ✓ Switchgear and Control Gear
- ✓ Power Transmission Equipment's
- ✓ Electrical Distribution
- ✓ Renewable energies
- ✓ Turn-key contracting
- ✓ HVAC Equipment & Accessories
- ✓ Hydro Power
- ✓ Installation Equipment
- ✓ Electrical Control Devices
- ✓ Electrical substations
- ✓ Components and Accessories
- ✓ Energy Efficiency
- ✓ Conservation Solar
- ✓ Wind Power Equipment
- ✓ Thermal Power
- ✓ Automation systems
- ✓ Maintenance and services
- ✓ Electricity measuring, metering and control

## MARKET OVERVIEW

### ✓ ONE OF THE BIGGEST EVENT FOR GREEN AND CLEAN ENERGY SECTOR

Philippine Solar & Power Expo is the Philippines one of the biggest clean energy event and your one-stop shop to take the note of one of the world's fastest growing energy markets. It's more than an exhibition it's a marketplace where installers, distributors, project developers, policymakers, solution providers and technology leaders come together – and where you can grow your solar and energy storage business by making thousands of in-person connections. The Exhibition also will have eminent speakers speaking on the need and the current requirement of Solar and Power in Philippines. Philippine Solar Power and Energy Expo showcases innovative, market leading solutions for Commercial & Industrial solar projects, large scale utility projects, residential projects, small scale community-based projects and the technologies that support them.

- ✓ The Philippines is one of the most promising solar markets in the world, and the government is committed to boost renewable energy sources. The country has set a target of generating 35% of its energy from renewables by 2030 and 50% by 2040, providing a stable and supportive policy environment for investors, based on the National Renewable Energy Program (NREP) 2020–2040. There is a high demand for solar power in the Philippines, both in commercial and industrial, and in remote areas where access to traditional electricity is limited. The Philippines will more than double its solar power output by 2030. The Philippines is home to the world's largest solar installation, completing in early 2026, with 3.5 GW of solar panels and 4 GWh of battery storage. And there's more on the way!

### Get Ready for this Year's Philippine Solar, Power and Energy Expo & Philippine Construction and Ceramics Expo!

Genesis Global Exhibition and ACE Group, with the support of the ASEAN-India Economic Council, Philippine-India Business Council, and Philippine Chamber of Commerce and Industry, is pleased to announce the upcoming Philippine Solar, Power and Energy Expo, co-located with the Philippine Construction and Ceramics Expo, scheduled to take place from July 29-31, 2025, at Function Room 5, SMX Convention Center, Manila, Philippines.

These exhibitions are proudly supported by the Philippine Solar and Storage Energy Alliance (PSSEA), Society of Philippine Electromechanical Constructors and Suppliers (SPECES), PHILRECA, Power Professionals Association of the Philippines (PPAP), among others, with additional associations expected to join.

They have shared further insights about the upcoming expos, with the media last July 23, 2025, at a press conference held in one of the Meeting Room of SMX Convention Center, Manila.

The Philippine Construction and Ceramics Expo, running concurrently from July 29-31, 2025, is the country's premier exhibition focused on construction, ceramic, interior, and building materials. It will bring together key players from the construction, housing, infrastructure, and ceramic sectors, offering unmatched opportunities for networking and business development. This event is poised to become a strategic gateway to the Southeast Asian business community and contribute significantly in infrastructure growth in the Philippines and the region.

**Distinguished Speakers at the Press Conference:**

- **Mr. Johnny Chennel** - Co-Chairman (Philippines), ASEAN-India Economic Council Member, Advisory Board, Philippine Solar Power and Construction Expo
- **Ms. Maria Theresa "Tetsi" Cruz Capellan** - Chairperson, Steering Committee, Asian Photovoltaic Industry Association; Chairperson, Philippine Solar and Storage Energy Alliance; President & CEO, Sun Asia Energy Inc.
- **Engr. Warren Manali** - President, Power Professionals Association of the Philippines (PPAP)
- **Mr. Camelo Jimson B. Uyama** - President, Society of Philippine Electromechanical Constructors and Suppliers (SPECES)
- **Arch. Felino "Jun" Albano Paladino, Jr.** - Architect & Urban Planner, Founder, Paladino Associates
- **Dr. Luis Ramon V. Rodriguez, MD, MDM** - President, Kailash Group Holding Corp and Philippine Medical Depot; Member, Advisory Board, Philippine Solar Power and Construction Expo
- **Engr. Rene Fajlaganan** - Member, Board of Directors, PHILRECA

#### PRESS RELEASE

### Philippine Solar, Power & Energy Expo 2025: Shaping the Future of Sustainable Energy and Infrastructure

The Philippines is rapidly positioning itself as a key player in the global solar energy market, driven by ambitious government initiatives and strategic investments. Under the framework of the National Renewable Energy Program (NREP) 2020-2040, the country has set forward-looking targets to substantially increase its renewable energy share, aiming for 35% by 2030 and 50% by 2040. To realize these goals, the Philippines plans to double its solar capacity by 2030 and is on track to host the world's largest solar installation by early 2026, which will feature an impressive 3.5 GW of solar capacity complemented by 4 GWh of battery storage. These developments exemplify the nation's commitment to transitioning toward cleaner, sustainable energy sources and reducing reliance on fossil fuels.

## ABOUT THE ORGANISERS

Astrovision is a Dubai-based company founded in 2023. The company specializes in organizing major international exhibitions across multiple industries, including Beauty, Cosmetics, Pharmaceuticals and Healthcare, Food and Packaging, Power and Energy, Construction, Textiles, Gems and Jewellery.

To date, Astrovision has successfully organized over a dozen exhibitions across regions such as ASEAN, Africa, and the CIS. The company collaborates with partners around the world, ensuring the seamless execution of exhibitions, conferences and B2B meetings.

ACE Group based out of New Delhi, India is an Organization with more than 8 years of experience in promotion and organising of trade exhibitions across the globe. At ACE Group we have experience of dealing in 60+ International Trade Fairs taking place in 20+ countries in Europe, Asia, Africa, America and Oceania. Through its global network, ACE Group has presence worldwide with local partners situated in most of the continents. ACE Group is professionally committed to deliver best trade services in the industry.

Genesis Global is also based in New Delhi, India is an Organization with more than 3 years of experience in promotion and organising of trade exhibitions across the globe. At Genesis, we have experience of dealing in 20+ International Trade Fairs taking place in 10+ countries in MENA, ASEAN, GCC and Asia.
